Ed Cordz of Joplin spent Sun-
day at home here.

Kit Earl is getting about again
after several weeks' illness.

Mrs. Allen Peterson has been
quite sick the past few days.

Roy Wells did jury service in
Joplin for his country last week.

Miss Gladys Stark of Webb City
visited Frank Crow and family
last week.

Miss Pauline Roberts from Cot-
tey College spent the week end at
home here.

C. F. Rex attended a registered
Jersey cattle sale near Independ-
ence Monday.

Will Lane was out Friday, but
is still a little shaky from a recent
attack of "flu".

H. O. and Lester Earl shipped
a car of fine fat hogs of their own
raising this week.

Bert Crandall returned to Joplin
Monday to his former place on the
Joplin detective force.

Mrs. L. L. Dennis of Carthage
spent the last week or more with
Allen Peterson and family.

B. B. Whitboit returned Monday
from St. Louis, where he visited
his son the past two months.

John Marsh and family of Car-
thage spent Sunday with Mr.
Marsh's mother, Mrs. Thos. Marsh.

Mrs. Dora Hastings and Mrs.
Arthur Teeter are in Kansas City
buying goods for the Ladies Tog-
gery Shop.

Ben Corn and his family have
been under quarantine with scarlet
fever for some time, but are all
now about well.

Art Probert bought a new Peter
Schuttler wagon of Webb Bros.
this week. Only two more left at
the bargain price.

Dr. B. F. Wolfe was on the
street Saturday. Dr. Wolfe still
shows the effects of a recent at-
tack of "flu" but gets about pretty
well in spite of his 87 years.

There were six cars of cattle and
hogs at the stockyards Tuesday
awaiting cars to ship in. No one
seems to be able to explain why
stock cars should be hard to get.

Rev. E. H. Sapp attended a
meeting of the "Trolley League
Ministerial Alliance at Carter-
ville Monday. The Carterville
Chamber of Commerce entertained
the preachers at dinner.

Kirkville high school students
have organized a commercial club
in connection with their course in
business training. Fine idea. We
know a lot of business men who
would profit by the same course
of action.

Harry Hille returned this week
after a three weeks' trip to Ala-
bama. Harry said he would stay
till the snow left and he did, but
we have an idea before February
passes Harry will wish he hadn't
hurried back.

Brookfield has a commercial club
of 600 members of business men
and farmers. The sooner business
men and farmers fully realize that
many of their interests are identical
both town and country will profit
by the knowledge.

R. L. Cole's three children were
all taken with measles last week,
but the little ones are suffering no
inconvenience except that they
are shut in. No other cases are
reported here and it is believed
visitors from Golden City "import-
ed" the trouble.

Rev. and Mrs. Sapp visited their
daughter in Joplin Monday and
attended the revival at the Beth-
any Presbyterian Church. The
evangelist is Rev. Steve Burke
and about 100 conversions have
been recorded during the meeting
the past three weeks.

Some one sent in some very
newsy notes from Lynnland last
week, but failed to sign the cor-
respondence, so this office has no
way to tell who wrote them. We
need a regular correspondent from
Lynnland and we believe the party
who wrote these items would be
just the right party.
